The indication that claims 1, 3 and 4 are allowed, and that claim 2 is objected to, is acknowledged.

By the above amendment, claim 2 has been amended so as to overcome the informality noted by the Examiner by deleting the recitation of "to cool the superconducting coil" which was misdescriptive. Accordingly, this claim should now be in condition for allowance with allowed claims 1, 3 and 4.

In view of the above amendments and remarks, applicants submit that all claims in this application should now be in condition for allowance, and issuance of a Notice of Allowance is respectfully requested.

To the extent necessary, applicant's petition for an extension of time under 37 CFR 1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account No. 01-2135 (500.40852VX1) and please credit any excess fees to such deposit account.

Respectfully submitted,
